Add-Ons

Sponsorship add-ons are supplementary opportunities to engage attendees beyond your booth presence. Add-ons deliver benefits such as brand awareness, incremental leads, hands-on learning, digital extensions, and more. Sponsors must be fully contracted for a sponsorship package in the AWS Summits city to be eligible to purchase add-ons in that city.

Available add-ons can be found within respective Summit prospectuses (see slide 3).

2026 EMEA Summit Lanyard Branding

Looking for a high-visibility opportunity to promote your AWS partnership to event attendees? Look no further than the event lanyard! All attendees' event badges to include a lanyard with AWS and sponsor logo branding. CONTACT US to explore EMEA or multi-Summit bundled lanyard branding opportunities.

This add-on includes co-branding on all Summit badge lanyards:

Consent & Lead Sharing

AWS Summit Sponsors receive complimentary lead capture device(s) for rent as part of their sponsorship package (the number of complimentary devices varies by sponsorship package). These devices give sponsors the ability to scan the badges of attendees that visit their booth.

AWS will only share attendee contact information with a sponsor if an attendee lets that sponsor scan their badge.

The following attendee information is shared with sponsors: name, email address, city, state (U.S. only), postal code, country, phone number, title, company, job role, industry, company type, and level of AWS usage. This information will be shared with sponsors after each event. Additional details on the lead distribution process will be shared prior to each event.

EMEA Summit Lead Retrieval:

Eligible sponsors can export Summit booth and add-on leads in real time. Session leads will be distributed by 10am CET the day after respective Summits. Please note: AWS retains the discretion to withhold leads from any sponsor with an outstanding sponsorship invoice.

Next Steps

Eligibility

Eligibility varies by package type.

AWS Sponsorships are reserved for AWS Partners and select Enterprise Customers. Not an AWS Partner? Learn more [here](#). Questions about your partner type? Log into [AWS Partner Central](#) or [email us](#).

See slide 4-5 for EMEA Summit program eligibility criteria. Additional package eligibility criteria may be applied for individual Summits.

Contract

Eligible AWS Partners will be able to request a package through a contract request form beginning January 13, 2026, by clicking on "[Become a Sponsor](#)".

Following the submission of the contract form, your contract will be delivered within 5 business days.

Terms & Conditions

Please review the AWS Global Sponsorship Terms & Conditions [here](#). AWS does not alter or customize Terms & Conditions.

Execution

Contracts must be signed and fully executed within 14 days of receiving your contract, otherwise package reservation will be released.

Invoice

Once the contract is signed by both parties, AWS will generate an invoice.

Invoices are sent 90 days prior to each event and are due in NET 60. Invoices sent inside 90 days are due in NET 30 or by the event date, whichever comes sooner. Payment can be made by check or wire.

Frequently Asked Questions

Are there any discounts?

Discounts are not available for AWS event sponsorships. Sponsorship packages are priced at fair market value with sponsorship package pricing reflecting the value of included benefits.

How can I prepare for sales launch?

Please review the Summit sales launch calendar and understand your company's eligibility. Review what information will be required when requesting a contract so that you are prepared when sales launch.

What happens after I submit the request form?

Following eligibility and availability review, AWS will reserve the requested sponsorship package and initiate contract creation.

In the scenario that AWS receives an ineligible request, the request will be declined within 5 business days. AWS cannot guarantee future package availability.

When is payment due?

Once the contract is signed by both parties, AWS will generate an invoice. Invoices are sent 90 days prior to each event and are due in NET 60. Invoices sent inside 90 days are due in NET 30 or by the event date, whichever comes sooner. Payment can be made by check or wire.

Can I use Marketing Development Funds (MDF) for sponsorship?

No, MDF may not be used to pay your sponsorship fee. See the MDF guidelines in Partner Central for ideas on how to use MDF to augment your AWS Summit Sponsorship.

Can we change contract information after submitting the form?

Upon receiving a completed contract request form, we will send you a contract within 5 business days. To avoid delays, please make sure to fill in all company information correctly.

Frequently Asked Questions

How are exhibitor booths allocated?

AWS allocates booths in order of contract signature. We encourage all sponsors to sign their sponsorship agreements quickly to receive a preferred position.

How are exhibitor sessions allocated?

AWS will allocate sponsored sessions in the order of session content approval date. This includes session title, abstract, and speaker details.

Are there other rules for Summit sponsoring?

Yes, please see the [2026 AWS EMEA Summit Exhibition Rules and Guidelines](#).

Which AWS 'Seller of Record' (SOR) do I pay for my Summit Sponsorship?

AWS Summit Sponsorship Packages in EMEA are sold through various AWS SORs which carry unique business entities, collect payment in varying currencies, and apply various Value Added Tax (VAT).

Review the grid for payment details for each AWS Summit. To commence the SOR onboarding process, please notify AWS at the time of contract request form submission that 'Vendor Onboarding' is required.
